

DPO COMMITMENT & POLICY OVERVIEW

Dynamic Prosthetics & Orthotics and its employees are committed to the demonstration of Quality practices and processes.

Dynamic Prosthetics & Orthotics is committed to ensuring that policies, procedures and processes in place to ensure quality will be experienced consistently across all aspects of our operations and customer service, and to continuously improve our services and standards.

Our Quality Objectives are to ensure...

1. Exceptional client service & satisfaction standards
2. Maintain the retention and acquisition of qualified and highly competent staff
3. Excellence in reliability and performance
4. Safety of all clients, staff, contractors and visitors
5. Suppliers are providing high quality, durable and 'optimal for use' parts
6. Continuous review and improvement of service and product delivery
